

Colorado Credit Union Day at the Capitol

Colorado Credit Union joined a force of more than 200 advocates from across the state for Colorado Credit Union Day at the Capitol where we were able to meet with over 90% of legislators, or with their key staff, to talk about why 2.5 million Coloradans have chosen credit unions as their preferred financial partners.

Making an Impact in our Community

While our branches were closed to honor Presidents' Day in February, Colorado Credit Union staff used the day to make a difference in our community. Our staff volunteered at four separate nonprofits across the city including The Action Center, Shopneck Boys & Girls Club, Project C.U.R.E. and WeeCycle.

The nonprofits offered a variety of give-back opportunities including sorting food, clothing and baby items, teaching financial literacy to children, painting office space and sorting medical supplies. The day not only provided the opportunity to make a difference, but also gave staff a chance to connect and team-build outside of our normal work environment.

Giving back is part of Colorado Credit Union's Community Impact initiative and part of an ongoing effort made throughout the year.
