

## Colorado Credit Union in the Community

### Investing in Young Leaders with Big Brothers Big Sisters of Colorado

Our staff recently hosted our Bite of Reality financial literacy workshop in partnership with Big Brothers Big Sisters of Colorado at their annual STARS National Conference! Teens had the opportunity to practice real-world saving and budgeting decisions through Bite of Reality, a fun and interactive budgeting simulation. Participants were given a fictional job, income, family, and monthly budget, and had to make choices ranging from housing and transportation to unexpected expenses.

We were honored to support youth from all over the country as they built leadership skills and explored the importance of financial wellness.

### \$1,000 Raised for Big Brothers Big Sisters of Colorado

At our free community Shred Day events in June, we collected monetary donations for our nonprofit partner, Big Brothers Big Sisters of Colorado. Thanks to the generosity of our members and community, we raised \$1,000 for this impactful organization. Teagan Werden, Community Impact Manager, proudly presented the donation check to Elycia Cook, CEO of Big Brothers Big Sisters of Colorado, during their annual Golf Classic event.

Thank you to everyone who contributed to helping ignite the potential of youth in our community!
