KEN-CARYL BRANCH OPENING POSTPONED

Our new Ken-Caryl branch is beautiful, and we can't wait to show it to you. However, due to concerns related to the Coronavirus outbreak, we decided to push back the grand opening until we can fully showcase all of its great features. In the meantime, we wanted to offer you a sneak peek. Because of the delayed opening, **we have moved the Annual Meeting to May 19, 2020.**

The new Ken-Caryl branch is located at 10026 W. San Juan Way. Although the branch opening is delayed, the ATM is available for deposits and withdrawals.

DON'T FALL VICTIM TO CORONAVIRUS SCAMS

From Stickley On Security: The coronavirus — it doesn't just make you sick...it also can wreak havoc on your computer. Researchers at Kaspersky reported finding malicious files that will pretend to be videos or documents with information about protecting yourself against the now infamous virus that is getting far more than fifteen minutes of fame.

The malicious files come by way of email. Be very wary of opening any attachments or clicking any links, regardless of the extension unless you are 100% sure they are safe. You should know the sender and/or be expecting the link or document. If these don't apply, just don't click.
