

Many financial apps, like those listed below, use Plaid to securely link your bank account instantly. CCU is working to correct the connection issues when using Plaid. In the meantime, you can still connect your account following these steps!

YNAB. acorns venmo Betterment coinbase Truebill Robinhood

1. Type in "nonono" in the search bar, this will give you the option to **Link your bank manually**

2. Enter your full **MICR account number** and CCU's **routing number: 302075267**

3. Follow the prompts to **verify the micro deposits**, establishing your connection to CCU

This information can also be found in your online or mobile banking by selecting the share, then looking under *Details*.
