 - ✓ The phone number listed on your account
- ✓ Setup 2-step verification. You may select your preferred method of 2-step verification:
 - ✓ an automated phone call
 - ✓ a text message
 - ✓ download/use the  app*
- ✓ Read and accept the End User License Agreement
- ✓ Create your log in credentials meeting the requirements
- ✓ You will be taken to your new CCU online banking Dashboard

IMPORTANT: After five (5) failed attempts, you will be locked out for 24 hours. If you are unable to enroll, please contact us at 303.978.2774 after your third attempt.

Do your banking right from your mobile device with CCU's Mobile App!
Search for **ColoradoCU** in the app store. Then, once you've downloaded* the app, simply:

1. Touch the app icon on your home screen.
2. Enter your online bank account information, or follow the above steps to enroll.
3. For added security, you will be asked to create a four-digit passcode. This passcode will be required each time you launch the app.
