WINTER ISSUE 2019

2018 Year in Review

As we welcome the new year, we reflect on 2018 and are reminded of the strength and solidarity of Colorado Credit Union. With 2018 being our 45th year in business, we are pleased to report it was a strong and productive year, with significant growth in both membership and asset size. Not only did we surpass our business goals, we also received some special recognitions and achieved some impressive milestones in the past year.

5-Star Rating ★ ★ ★ ★ ★

We are delighted to have been rated a *5-Star Financial Institution* by Bauer Financial, for a second consecutive year. A 5-star rating indicates that Colorado Credit Union is one of the strongest financial institutions in the nation.

Best Credit Unions to Work For 🏆

For the fourth year in a row, CCU was awarded the honor of being named one of *Best Credit Unions to Work For* in 2018. We are excited to receive this recognition, as we continue to provide our staff with a top-notch work environment.

Strengthening Communities 🤝

CCU increased support in our local communities, and our staff volunteered more hours than ever before. In addition to sponsoring more than 25 community initiatives and non-profit organizations, we expanded our reach to more high schools with our financial literacy program and increased our support of the *Southwest Jeffco Food for Thought Bak Pak* program. Giving back to the communities we serve is an integral part of our People Helping People philosophy.
