

Colorado Credit Union in the Community

At Colorado Credit Union, supporting our communities goes beyond banking. Throughout the quarter, our team had the opportunity to connect with members, support important nonprofit partners, and provide resources that help individuals and families thrive.

Helping Members Protect Their Information at Shred Day

Colorado Credit Union's annual **Shred Day** once again provided members with a safe and secure way to dispose of sensitive personal and financial documents. Across our three branch locations, members brought boxes of old records, statements, and other confidential paperwork to be professionally shredded and securely destroyed.

While this service is offered free of charge, participants were invited to make voluntary donations benefiting our community causes. Thanks to the generosity of our members, **we raised more than \$1,000 this year to support our charitable partners.**

Events like Shred Day not only help protect against identity theft but also demonstrate how our members continue to come together to make a positive impact in the communities we serve.

Brighton Summerfest Brings Community Connections

This summer, Colorado Credit Union's Brighton branch team joined thousands of local residents at the **City of Brighton's annual Brighton Summerfest celebration.**

With the FIFA World Cup creating excitement around the globe, our team embraced the spirit of the tournament by sporting Colorado Credit Union-branded soccer jerseys throughout the event. Visitors to our booth enjoyed free popsicles, tested their guessing skills in our toy soccer ball jar contest, and had opportunities to win prizes.

Most importantly, Summerfest gave our team the chance to connect directly with community members. Throughout the day, we shared financial education resources, answered banking questions, and engaged in conversations about personal financial wellness, reinforcing our commitment to helping people achieve financial success.

Supporting Big Brothers Big Sisters at the Big Impact Golf Classic

Colorado Credit Union was proud to support Big Brothers Big Sisters of Colorado as the Impact Sponsor at their annual **Big Impact Golf Classic.** Our team had the opportunity to connect with golfers and guests at our community engagement booth, sharing information about Colorado Credit Union, our services, and our commitment to making a difference in the communities we serve. We are honored to support organizations like Big Brothers Big Sisters of Colorado that create lasting, positive impact for young people and families.

... in the Community Continued

Members Vote to Support Friends of the Children!

During Member Appreciation Week, members participated in *Feel Good Friday*, an opportunity to help direct a CCU Cares Foundation donation by voting for a nonprofit partner. We're excited to share that **Friends of the Children** was selected! This donation supports an organization that pairs children facing the greatest obstacles with professional mentors who provide long-term support from kindergarten through high school graduation and beyond. Thank you to our members for helping us invest in causes that make a lasting impact in our community.

Painting a Bright Financial Future with Boys & Girls Clubs

This summer, our staff spent a meaningful morning with youth at the Boys & Girls Club in Brighton, painting piggy banks and sparking conversations about the importance of saving for future goals. **More than 50 Club kids participated in the activity** and took home their own custom-designed piggy banks. We are proud to support opportunities that make financial education fun, engaging, and accessible for the next generation.

Recent Awards

Colorado Credit Union was proud to once again be named one of **American Banker's Best Credit Unions to Work For**. This is the twelfth consecutive year we have been named on the list.

Colorado Credit Union was honored as the **Colorado Regional Housing Champion by the Federal Home Loan Bank of Topeka** for helping make homeownership more accessible through affordable housing programs and community partnerships. As part of the award, our team selected TGTHR to End Youth Homelessness to receive a \$1,000 donation in its honor.
