FALL ISSUE 2020

BEST CREDIT UNION TO WORK FOR

Colorado Credit Union was named one of *Credit Union Journal's* "Best Credit Unions to Work For" in 2020. This is the sixth consecutive year CCU has received the honor. CCU ranked third in the category of Credit Unions with assets more than \$200 million and less than \$500 million and ranked fifth overall from the 50 credit unions that were recognized.

"Every year we have received the award has been special; but this year, given all we have been through with COVID challenges, the award is even more meaningful," said Mike Williams, Colorado Credit Union President and CEO.

The winners are selected by a two-step process performed with the Best Companies Group. First, the company reviews employers' benefits and workplace policies and practices. Secondly, Best Companies Group conducts an extensive employee survey. Consumers Credit Union (Kalamazoo, Mich.) received the overall number one ranking, followed by InFirst Federal Credit Union (Alexandria, Va.), Nymeo Federal Credit Union (Frederick, Md.), Idaho State University Federal Credit Union (Pocatello, Idaho) and Colorado Credit Union.

"This award is truly a tribute to our staff at Colorado Credit Union," Williams added. "Even during a worldwide pandemic, our staff has worked together to find solutions and new ways to continue to provide our members with the highest level of service. It is an honor to receive this award that was based on input from our staff."

2021 CALENDAR

Please stop by one of our branches to pick up your free 2021 Calendar. This year, we held a photography contest to feature local photographers' pictures of our beautiful state. We received 157 entries. Narrowing them down to just 13 images was incredibly tough. We also held a public vote to determine the top 3 images. We can't wait for you to see this year's calendar. We hope you are as impressed with the images as we were.
