Colorado Credit Union in the Community

Financial Fun for the Whole Family

We hosted a free Family Financial Education Night at the Boys & Girls Shopneck Club in Brighton, where more than 30 attendees enjoyed interactive lessons on budgeting, saving, and smart spending. Through engaging activities, families worked together

to navigate everyday financial decisions. We're grateful for the opportunity to support the Shopneck Club community and help build financial confidence!

Empowering Foster Youth Through the *Fund Your Future* Program

We launched the *Fund Your Future* Financial Literacy Program to support young adults from the foster care system in building economic mobility. In partnership with TGTHR to End Youth Homelessness with a grant from the National Credit Union Foundation, the program combined workshops and online modules to teach personal finance skills. Participants gained financial knowledge and earned savings incentives in newly opened Colorado Credit Union accounts, helping many establish their first financial safety nets.

Introducing IDCheck

If you bank at one of our Shared Branch locations, a teller can now identify and authenticate members with out-of-state IDs in the branch through a QR code and one-time passcode multi-factor authentication verification. This additional layer of authentication will be used for cash, cashier's checks, money orders, and transfer withdrawals when using an out of state ID or passport. Visit ccu.org/contact/shared-branch-locations for more info.

Recent Awards

Colorado Credit Union received two Diamond Awards at the recent America's Credit Unions Marketing, PR & Development Council Conference in Austin. Both awards were received in the Complete Campaign category—a **Category's Best** award for the New Checking Product campaign and an award for the Holiday CD Campaign. The Diamond Awards recognize and reward creative excellence and outstanding results and are judged by industry professionals.
